Children & Families Services

Children & Families Services

Does your child have ...

- Problems at school or obeying rules at home?
- Difficulty concentrating?
- Problems getting to sleep or staying asleep?
- Frequent angry outbursts or temper tantrums?
- Strange thoughts or feelings?
- Difficulty being close to you or others in your family?
- Few friends or seem unhappy?
- Lack of a conscience or problems lying or stealing?
- A poor appetite or problems with overeating?
- A fear of other people, places or objects?
- Problems abusing drugs or alcohol?
- A history of attempting or threatening to run away?
- Suicidal thoughts or a history of attempted suicide?
- Excessive worries or are they hard to soothe?
- Problems with toilet training?
- Difficulty separating from you, or never has difficulty being away from you?

Every Child is Special

Help is Available!

If your child is having any of these problems, they may need the help of an experienced professional. An assessment will determine the best way to help your child. Treatment may include individual counseling, family counseling, group therapy, case management services or psychiatric services.

Every Child is Valuable

Growth and Change Can Happen!

LifeSpring's professionals can help you understand the causes, triggers and effects of emotional and behavioral problems on your child & your family. We can also help you learn how best to support your child so they have the opportunity to improve their future.

Every Child Can Succeed

Call LifeSpring today to schedule an appointment

280-2080.
