Scholarship Guidelines

Personal Involvement:

Include a separate attachment of a list of extracurricular activities, specifically those with an emphasis on services/activities involving youth, special needs, or those with a physical/mental health diagnosis.

Personal Insight Essay:

Give a detailed account of your plans of study in the healthcare or public service field and include career goals. This essay, between 250-500 words, *should contain any real-life experiences with person(s) dealing with a specific diagnosis (chronic illness, substance abuse, mental illness, etc.) whether it be a family member or friend, what you have learned from these experiences or your studies, and how our society could better provide services to meet all healthcare needs.*

References and Transcript:

Please submit one letter of recommendation from a teacher, counselor or someone in the community (cannot be family members or fellow students). Please also attach your most updated transcript.

Additional Information:

Discussing chronic health or mental health issues may result in negative or unpleasant feelings, and sometimes worsening mental health. If you need support, please speak with your parent/guardian or a trusted adult. You can also contact mental health support 24/7/365 by calling or texting 9-8-8.

Please note: LifeSpring staff are mandatory reporters of suspected abuse and neglect. Disclosures involving the neglect or abuse of children will be reported to appropriate authorities.
